

## C. OF C. WILL FIGHT TAX ON BUSINESS

The Albany Chamber of Commerce will oppose the business license tax now being considered as an ordinance by the City Council, according to a letter presented by Charles Whitmore, general manager of the Chamber, at the council meeting Monday night.

Attorney George Glavinovich had drawn up the ordinance for the tax but further action on the matter has been postponed for study of the Chamber's letter.

The Chamber opposed a similar measure last April and Whitmore's letter stated that the group saw no reason to change its attitude. It stated that should the council sponsor the measure the Chamber would take steps to defeat it.

Phillip Eden, 1109 Ninth St., acting for the Progressive Citizens of America, successor to the CIO's Political Action Committee, presented a resolution protesting President Truman's action in recommending aid to Greece and Turkey. The resolution was accompanied by a letter which the group asked the council to endorse and forward to California representatives in Congress.

The council as a whole decided they were not in a position to introduce such a resolution from a single group. When Eden asked the council would forward the matter to Congress, Councilman Raymond Cleary pointed out that minutes of the meeting were open to the public and Eden could obtain copies and forward them to show the matter had been brought up.

"Problems of the Middle East" will be discussed by Dr. Walter Fischel, Professor of Semitic Languages and Literature, University of California, in the final lecture of the Albany Evening High School Forum Series on the general subject, "Aftermath of War—Peace?" to be held at the Cornell School Auditorium on Thursday, March 27, 8:00 p. m.

From 1926, until his appointment as Dr. Fischel was a faculty member of the Hebrew University of Jerusalem. He made an extensive and special study of the economic and political aspects of the

## Four Games Will Open Softball League Sunday

With the first call of "Play Ball" from the umpire, the Albany Spring Softball League, sponsored by the City Recreation Department, will get underway Sunday morning, March 23.

Eight teams representing Albany Eagles, Bayview Aerie No. 2323; Cerrito Civic Club; El Cerrito Y.M.I. No. 96; Marin Dads; Macabees, Tent 124; Berkeley Y.M.I.; Police and Fire Social Club and Albany Junior Chamber of Commerce will compete for the championship and the privilege of playing in the Mayor's Cup play-off between the first four teams at the close of the Spring Season.

Last Sunday, the league teams held their first work-out at Memorial Park and many of the players were nursing sore muscles on Monday morning.

The Albany Eagles will take on the Police and Fire at Memorial Park in the opening game at 10:15. In the second opener, the champion Marin Dads will tangle with the powerful El Cerrito Y.M.I. at 11:40 a. m. The El Cerrito Y.M.I. tied the Dads last year for the league lead and lost the one game play-off and both clubs are out to win this first game.

Down at James Kenney Playground, West Berkeley, the Albany Junior Chamber of Commerce, a bunch of scrappy youngsters, will take on the more-seasoned Berkeley Y.M.I. at 10:15 a. m. with the reorganized Macabees and the vastly improved Cerrito Civic Club tangling in the 11:40 a. m. contest.

The league will run seven weeks with no games scheduled for Easter Sunday, April 6, or Mother's Day, May 11.

## Kaye & Miller Opening New Children's Shop In Albany Tomorrow

Saturday, March 22, is the day set for the grand opening of Kaye and Miller, Albany's new shoe and children's apparel shop at 1458 Solano Ave. They will feature a complete line of the famous Red Goose shoes expertly fitted by trained men aided by X-Ray machines.

In the line of apparel for youngsters Kaye and Miller are offering a wide selection of Easter dresses and smart coats for the Easter parade. Featured as opening day specials will be a limited supply of sheer 51 gauge nylons and diapers.

## Popular Girl Scout Leader Is Honored At Farewell Party

A farewell and miscellaneous shower, honoring Mrs. Fredrick Newhouse, was given by Mrs. Verdon Garner in the latter's home at 1106 Ordway Street, on March 14. The Newhouses have built a home in Walnut Creek and will shortly move to that community. Mrs. Newhouse has been popular in Albany as a leader of Girl Scout Troop 69 and director of Albany Day Camps in 1944 and 1945.

A novel "get acquainted" stunt was featured by tying a paper bag on the left hand of each guest as she arrived and making her shake hands with those present as she introduced herself. After presentation of many lovely gifts to Mrs. Newhouse, games and refreshments completed the evening.

In addition to Mrs. Newhouse and her daughters, Jean and Jo-Anne, others attending the party were the Mesdames Fred Klein, Leslie Burman, Henry Henriksen, Carl Nieper, Maude Gregory, Gordon Garner, Elmer Lund, Leroy Cabral, Wm. Forster, V. A. Niemi, George Klarman, Charles Jurgenson, Wallace Mardilla, J. W. Winkelman and the hostess, Mrs. Garner.

They are: William, Walter and Franklin Peacock and Mrs. Gertrude Talbott. She was the sister of Peter Brims of North Dakota and the grandmother of Rose Marie Peacock and Judy, Harvy and Walter Talbott.

Funeral services will be held Saturday, March 22, at 11 a. m. in the Drawing Room Chapel of the Ellis-Olson Mortuary. Burial will be at Sunset View Cemetery.

The Albany Junior Chamber of Commerce basketball team traveled to San Quentin Friday night, March 14, to play the prison five in a fast-paced game which brought victory to the local boys with a score of 52-48.

Candlelight set the scene at the Northbrae Community Church Sunday for the wedding of Berniz George and Richard Strahlke who were united in ceremonies officiated over by Reverend Laurance L. Cross.

Albany's Police Chief Stanley Williams gave the bride away while his wife, Betty, served as matron of honor. to managing the unpredictable cops and fire-eaters. McSheehy tells me the reason his team turned out hot then cold last season was because of changing work shifts for the softballers. But this year they expect to cop the cup with six men from last year's all-star team taking the field in addition to new members from the police force. All-stars playing this spring will be: Bill Hutt, pitching; Ken Symington, Wallace Collins and Art Smith rotating as catchers; Vernon Freeman in left field and John Hoeh on third.

Fire Chief Fred Pimental and Police Chief Stanley Williams are expected to turn in their usual "brilliant" performances this year. Pimental vows nothing will get past his six feet one inch on second base and Williams will "cover" right field. Ken Nickerson will be on first base again this year. Les Varni has been elected custodian of the equipment (bat-boy, to you).

Cub Pack 3, Mothers Enjoy Pot Luck Feed

The Cub Mothers of Pack No. 3 staged another very successful "pot luck dinner" last Friday night, March 14, at Marin School preceding the quarterly review of achievements.

Cubs and their parents enjoyed a splendid meal with a great variety of foods. Mrs. George Fredrickson, president of the Cub Mothers, and her assistants received a vote of thanks from those present for a job well done.

Following the dinner, Pack 3 presented a display described as one of the finest exhibitions of Cub work ever shown at a review night.

### Ellis-Olson Company

(Continued from Page One)

Affiliation in the organization is possible only by written approval of many local residents in a position to speak with authority on the subject. The Order has been in existence for nearly two decades and has a membership which literally extends around the world. Only those considered capable of upholding to the fullest the ideals of the organization are selected.

A member of the Order of the Golden Rule in a community identifies himself by means of a symbol picturing an armored knight with raised visor. In his right hand he supports a shield bearing the motto of the Order: "Service Measured not by gold but by the Golden Rule." In his left hand the knight grasps a drawn sword signifying readiness to defend the high principles inscribed upon the shield.

This symbol will be used in all Ellis-Olson publicity to identify the firm as a member of the Order.

nomie, social and religious problems of Oriental Jewry in Iraq, Turkey, Iran, Kurdistan and Afghanistan. He approaches the post-war problems of the Jew in Islamic countries, with a rare knowledge of their past and present. This, together with his broad knowledge of the problems of Palestine as they relate to the Arabs, assures a lecture that will present both the Arabic and Jewish viewpoint in his discussion of this current topic of universal interest.

As a lecturer, Dr. Fischel has had world-wide experience. In addition to his work in the Near and Middle East, he has toured South America, South Africa, Australia, New Zealand, Canada and the United States, lecturing at many universities in these countries. In addition, he has been an author of many books and studies on Jewish-Islamic history.

The public is cordially invited to this lecture, which will be followed by an open-forum, in which questions from the audience will be discussed and answered.

## Ellis-Olson Mortuary

There is now a member of the Order of the Golden Rule in your community.

What does that mean to you? Well, it means that this funeral directing firm has qualified for membership in one of the most exclusive organizations in the profession; an international affiliation of funeral directors who may be depended upon to render "Service Measured Not by Gold, but by the Golden Rule".

It means that this firm has qualified itself as having the requisite amount of experience, high moral and ethical standards, modern equipment and facilities, and moderate prices based upon known costs of operation. It means, too, that scores of local people have been contacted, and have expressed their conviction, in writing, that this firm is in every way eligible for the honor of membership in the Order.

By thus making it easy for anyone to recognize a dependable funeral director—through his use of the Symbol reproduced below—the Order feels that it has performed a real service to the public. Not all outstanding members of the mortuary profession are members of the Order of the Golden Rule, but all members of the Order are funeral directors of distinction.
